Dear Parents/Guardian

**ALIGHTING ACTIVITIES ALONG LAYBY AT BUKIT TIMAH ROAD
PEDESTRIAN OVERHEAD BRIDGE OPPOSITE ANGLO-CHINESE SCHOOL
BARKER ROAD**

Land Transport Authority (LTA) has received feedback from Traffic Police of parents alighting students on the layby below the pedestrian overhead bridge along Bukit Timah Road (opposite ACS Barker Road). This has resulted in a queue which obstructs mainstream traffic every morning. This layby area is strictly meant for authorized vehicles from N Parks to carry out maintenance and watering of plants.

LTA has cautioned that unauthorized vehicles in the layby area may be subject to a fine if caught by Traffic Police. We would like to seek your cooperation to refrain from alighting your boys along the main road (Bukit Timah Rd) below the pedestrian overhead bridge.

Thank you for your support.
