Dear Parents/Guardian,

METHODIST WALK 2007

The Methodist Walk, organized by the Methodist Schools Foundation, will be held on Saturday, 7 April at Anglo-Chinese Junior College.

The Methodist Schools Foundation (MSF) is a voluntary organization, tasked by the Methodist Church in Singapore to raise funds for Methodist schools. As aided schools that believe in providing an education model beyond the standard, the needs of the Methodist schools are many. The funds collected provides for new buildings, libraries, computer upgrading or new laboratories that are not covered under MOE's PRIME project during the schools' upgrading.

Methodist Walk 2007 will assist Methodist Schools in raising the funds that they need. Whatever amount your child collect, **100%** of it will be given back to the school.

ACS (Primary) is taking part in the above fund-raising project. Allow me to share with you some of our needs:

(1) The operating costs at the Barker Road Campus are astronomical. MOE gives us funds for operating the school based on our enrolment and not on the type of facilities we provide for our pupils. Here at the Barker Road Campus, we have non-standard facilities to maintain (e.g. Learning Centres, Sports Hall, Swimming pool).

(2) We are looking into converting two of our Learning Centres into full computer laboratories. This would mean equipping the room with the necessary furniture and purchasing another 40 computers, in addition to upgrading existing computers. This is to encourage more IT-based lessons.

(3) The school is working towards bringing the teaching of Science outdoors and plans are underway to create a Science Trail and outdoor classrooms within the school compound.

In order for the school to be able to embark on the above plans as well as to provide a better learning environment for our pupils, we would require the funds to do so. As such, I seek your support to help us in this fund-raising project so that ACS (P) can continue to provide a high standard of academic education for our pupils.

Walkathon Cards

We are issuing a card to each pupil and are appealing to you to help us complete the cards. We also encourage our boys to complete more than one card if they can. The completed card is to be handed in to the office to any of the clerical officers. Every child who collects **\$250 and above** will be rewarded with a thumbdrive by MSF.

Kindly note that should the card be lost, you would need to make a police report and a copy of that report is to be given to us for auditing purposes. The deadline for submission of the cards is **Monday, 19 March 2007.**
