Dear Parent/Guardian

**CONDUCT OF TEMPERATURE-TAKING EXERCISE**

1. A twice-daily temperature-taking regime was instituted in schools in 2003 as part of nation-wide control measures against SARS. Daily temperature-taking was suspended from July 2003 when the need for these control measures declined. Since then, schools have continued to maintain vigilance by ensuring that processes are in place for the swift re-activation of temperature-taking measures should it be necessary.
2. As part of measures to maintain schools' preparedness to resume a temperature-taking regime, as well as to ensure that all new pupils are familiar with temperature-taking, there will be a temperature-taking exercise conducted on **Tuesday 27 February 2007** by the school.
3. As part of the school's preparation for the exercise, we will be conducting a pre-exercise check on Oral Digital Thermometers (ODTs) on **Thursday 22 February 2007**. We would like to seek your assistance in ensuring that your child brings his personal ODT on the two days mentioned.
4. Thank you for your support and cooperation. Together, we can conduct a successful temperature-taking exercise as part of our continuing efforts to provide a healthy and safe environment for all in our school.

Yours faithfully,

Mr Lim Chew Hiong, Richard  
Principal
