Dear Parents/Guardian,

As we come to the end of the academic year, there are many things for us to be grateful for as a school. The Lord has blessed the school and our pupils who have done well in various co-curricular activities at the school, national and even international arenas.

We would like to take this opportunity to thank Mr Danny Ng for taking over the chairmanship of leading the Parent Support Group (PSG). We appreciate if you can continue to give your support to Danny. We would also like to record our heartfelt thanks to Mrs Sharon Ho for her contribution and services to the school as the Chairperson of leading the PSG from 2005 to 2007.

As the pupils go on their well-deserved break, I would like to encourage all of you to ensure that your son/ward makes full use of the holidays to revise or to catch up on the subjects that they did not do well. And for those of you who will be travelling overseas, it is also an opportunity for your son/ward to learn. Let us continue to work together to *Guide, RElate, Educate and Nurture* the boys so that they can become “young men of character, capability and creativity”.

It would also be good for you to closely monitor your son/ward to make sure that he does not spend too much time on the computer games lest he becomes addicted to it.

Please see attached your son's/ward's level analysis.

Yours faithfully,

Lim Chew Hiong, Richard
Principal
