Dear Parents/Guardian,

Maths Trail on 9 November (4A to 4D) @ Singapore Zoo

The P4 boys will be attending a Maths Trail on **Friday, 9 November 2007** at the Singapore Zoo. The boys will be reporting to school at the usual assembly time and will be taken to the venue by bus. They will be back in school by 1.00pm and will be dismissed at the transport centre.

The Maths Trail will take the participants on a predetermined route at the various stations to complete mathematical tasks. Along the way, they will learn about the animals in the zoo and be closer to nature. Completing the activities will also help to improve the boys' ability to work together as a team.

The fee for the programme, including admission fees, guide and transportation is \$15.60 per pupil. The school will be subsidizing \$5.60 for each pupil. Each pupil only needs to pay **\$10.00** which can be paid through Edusave. Please complete the **consent form** and the **Edusave form** attached and return it to your son's/ward's form teacher by **Monday, 5 November 2007**. If your son does not have an Edusave account, a cheque of \$10.00 should be made payable to "ACS (Primary)".

Thank you very much.

Warm regards,
