Dear Parents/ Guardian,

SUPPORT 10000 FATHERS READING!

10000 Fathers Reading! is an annual nationwide movement to encourage fathers to read to their children on a regular basis. It is organised jointly by National Library Board and the Centre For Fathering.

This initiative aims to increase fathers' involvement in their children's literacy development and to improve the quality of father-child relationships.

In line with this project, the school would like your child go to <http://10000fathers.nlb.gov.sg> and download copies of the review card. Please encourage your child to complete the review card after he has read a story with his **father**. Cards are to be submitted to the General Office latest by 13 August. Parents can also get more information on the other competitions and programmes in line with 10000 Fathers Reading! by visiting the website.

We hope to be able to have the fathers play an active role in their child's education and enjoy the process of reading with their children. We look forward to your support as ACS(P) fathers read and be the role-models for their sons.

Yours faithfully,
