

Anglo-Chinese School (Primary)

Parent Support Group (PSG)

25 August 2010

Dear Parents/Guardian,

ACS(P) Children's Day 2010

The ACS(P) Parent Support Group will be celebrating Children's Day on **Wednesday, 30 September 2010**. The boys will be given an hour for recess to celebrate the occasion. The Parent Support Group (PSG) plans to provide each boy with a class celebration cake and a party pack for the occasion.

In conjunction with this year's Children's Day celebration, our PSG plans to hold a ACS(P) Design Competition to encourage our boys to express themselves creatively, and to give them the opportunity to contribute towards those who are less privileged. Winning designs from each level will be awarded prizes and be selected for printing onto stationery that will be sold to raise funds for the ACS(P) PSG Pupil Fund, which provides funds for items such as pocket money, textbooks, etc, for ACS(P) students in need.

We look forward to making this Children's Day a day which the boys will have fun and be creative, yet play a role in a worthy cause to help those less fortunate. Let this Children's Day be an occasion which the boys will not only enjoy themselves, but make it memorable for the under-privileged children. Details of the Design Competition will be given to the boys shortly.

We would like to ask that parents contribute **\$5 or more per child**, to help with the purchase of the Children's Day celebration materials (cake, party pack, prizes for the Design Competition) and to help fund the cost of printing the stationery for the fund-raising activity. We would also be happy to accept other forms of sponsorship, e.g. prizes for the Design Competition, as well as printing contacts for the fund-raising activity. Please email Su Wei at suwei93@yahoo.com.

We look forward to working together to make this day a special occasion for our boys to remember!

Yours sincerely,

Mrs Karina Lim
Head, Class Support Sub-committee
