Dear Parents/Guardian,

Blessed to Bless – Challenges at The Methodist School of Cambodia

In November 2009, a group of ACS (Primary) pupils and their families went on their first mission trip to Cambodia. There we visited The Methodist School of Cambodia and witnessed the relentless passion and love of the school leaders and teachers. They strive together amidst all the challenges, to make quality education available and affordable for all Cambodian children.

The Methodist School of Cambodia's mission have reminded us of our humble beginning where our founding fathers gave their lives to build and develop Anglo-Chinese School to what it is today.

Since then, some of our school teachers and stakeholders have shared their expertise and resources to assist them in their mission to create an all-round education grounded on positive life values.

Now, there is an opportunity for all of us to hear from the Principal of The Methodist School of Cambodia, Mr. Stephen Yeo, about how they struggled to transform an old hotel building into the current The Methodist School of Cambodia with 700 students.

You are invited to join us for a breakfast sharing session:

Date: Tuesday, 13 July 2010

Time: 7:30 - 8:30am

Venue: Basement Staff Lounge, Admin Office

Speaker: Mr. Stephen Yeo (Principal), The Methodist School of Cambodia

Come and find out how we can be a blessing to the children and families of The Methodist School of Cambodia.

Blessings,
Alain Chan
