

# Anglo-Chinese School (Primary)

25 January 2010

Dear Parents/Guardian of Primary One pupils,

## Arrangement during Dismissal Time

The current arrangement for the teachers to take their class pupils to their specific buses at the transport centre will cease from **Monday, 1 February 2010**. The school hopes that with the 4 weeks of training and familiarization, your son/ward would know which bus to go to when he is taken to the transport centre. This is also part of our training to help our pupils to learn to be responsible and independent.

From **Monday, 1 February 2010**, onwards, the teachers will take their class pupils to the transport centre where the school buses are and the bus drivers will be there to direct the pupils to their respective buses.

Please be assured that the teachers will take all the pupils to the transport centre throughout the year and will not be dismissing them at the classroom.

Your son/ward needs to know the number of the school bus that he is taking and board the respective bus when he arrives at the transport centre.

Please contact myself or my Vice-Principal, Mrs Grace Khoo, if you need further clarification.

Thank you and God bless.

Yours faithfully,

Lim Chew Hiong, Richard  
Principal
