Dear Parents/Guardian of Primary 3 to 5 Pupils,

School-based Conversational Chinese and Malay Language Enrichment Programme

To encourage non-ethnic pupils to learn another Mother Tongue Language (MTL), MOE is assisting schools to conduct school-based Conversational MTL enrichment programme for their interested pupils. The Conversational MTL programme will equip pupils with basic oral skills and allow them to communicate with their friends and neighbours of different races. Learning basic Conversational MTL thus aims at bridging the language divide and strengthening racial harmony.

The Conversational Language courses, Conversational Chinese and Conversational Malay will begin on Wednesday, 17 February 2010, from 2.00 to 4.00pm. There will be a total of 10 lessons. Pupils are strongly encouraged to sign up for the course (free-of-charge), and they are expected to be committed in completing the course. However, this course is non-examinable.

From this year onwards, at the end of the course, the pupils' total hours of participation will be recorded in their holistic report and they will awarded with a certificate of completion if they have shown good attendance.

Please complete and print the attached enrolment form if your son/ward is interested to attend the course. Please return the form by **Monday, 8 February 2010** to the drop-in box located at the General Office.

The class size is limited to a maximum of 30 pupils per class on a first-come-first-served basis.

Thank you.

Yours faithfully,
