Dear Parents/Guardian,

This is to inform you that there was an incident of a boy who came to school by school bus this morning but decided to cross Barker Road towards Caltex Station. He walked in-between the cars and collided with a slow-moving vehicle.

We thank God that he has been discharged and is now placed on home observation. Let us continue to pray for him to recover from the shock he sustained this morning.

We have asked the Security Guard on duty to position himself along Barker Road to regulate traffic. This is to ensure our pupils do not cross the road without looking out for on-coming vehicles.

The school will be writing to LTA again to request for a pedestrian crossing in front of the entrance to the Transport Centre. LTA rejected our request last year but we will try again. We will also ask for road humps to be built on Barker Road as I observed a number of fast-moving cars this morning.

We would also like to request for parental support in this matter. Please let the school or Parent Support Group (PSG) know if you can be of help in anyway.

We would like to remind all pupils to be careful when crossing roads.

Thank you and God bless.

Yours faithfully,

Lim Chew Hiong, Richard
Principal
