Dear Parents/Guardian,

As part of the school's effort to ensure the safety of our pupils, we would like to appeal to you once again to drive carefully when you are driving to the school.

I have observed in the morning cars speeding after entering Barker Road. This is the 3-lane road where some children will cross between Caltex Station and the school Transport Centre. I would like to ask parents/guardians to be considerate and slow down upon entering Barker Road. The safety of our pupils is of utmost importance. When we adults observe traffic rules and are considerate at all times, we are setting good examples for our young ones.

We are also observing the situation at the pedestrian crossing from Chancery Lane carpark to our school gate B. Some drivers are not patient and that has posed dangers to our boys.

I have instructed the security guards to take down the vehicle numbers of errant drivers from now on. We will have to call you personally if the situation does not improve.

If you are a resident at Barker Road, the school will also appreciate if you could either help us to educate the residents to be considerate or provide us with suggestions on how we can have the cooperation of the residents in this effort to improve road safety for our pupils.

Thank you and God bless.

Yours faithfully,

Lim Chew Hiong, Richard  
Principal
