Dear Parents/Guardian,

Social Studies Assessments 2010

Please be informed of the assessment modes for mainstream Social Studies this year.

P1 – P2 **Pupils - Teacher Conversation** in Term 3

P3 **Mini-project** in Term 4

P4 – P6 **Reflections** on National Heritage Tour and **Project** (Term 2 for P5 and P6, Term 3 for P4)

With regards to **project work**, your son's/ward's Social Studies teacher will guide him as to what is required and he will be given time to work in class. However, he may need to use the Internet at home to do more research. We seek your support to allow him to do so.

We also seek your support in encouraging your son/ward to do his project independently. Of course, you may assist him in technical matters (e.g. how to get into a website, how to use the printer, a software programme or video camera), give him feedback or explain difficult reading material to him, but do allow him to do the essentials on his own. It is our desire that this may be an opportunity for your son/ward to learn to work independently and develop lifelong learning skills.

If you have any queries, please do not hesitate to email me at eilina_abdullah_look@moe.edu.sg.

Yours faithfully,
