Dear Parents/Guardian,

## RE: ANNUAL MATHLYMPICS FOR SINGAPORE SCHOOLS 2010

Anglo-Chinese School (Independent) is collaborating with HotHouse Educational Services Pte Ltd and Casio (Singapore) Pte Ltd to organize the Annual Mathlympics for all Singapore Primary Schools 2010.

Questions for the competition are carefully crafted and set where the use of calculators in the Final Round would benefit the problem solving process. This is to keep up with the current educational trend to introduce calculators in primary schools.

This competition is open to Primary 5 students and its main objective is to expose participants to intellectually challenging questions in order to stimulate their interest and ignite their passion in Mathematics.

The competition consists of a preliminary round (27 August 2010, Friday, at our school premises), a final round (2 October 2010, Saturday – only the top 25%, or the top 500 participants, whichever is lower in the preliminary round will be invited to compete in this round which will be held in Anglo-Chinese School (Independent) Auditorium 1).

The preliminary round comprises of 28 questions and the topics will include Arithmetic, Number Theory, Combinatorics, Logic, Geometry, Measurement and Algebra. The use of calculators is not allowed. Further details can be found from this website: [http://www.acs.sch.edu.sg/acs\\_indep/announcements.php?id=93](http://www.acs.sch.edu.sg/acs_indep/announcements.php?id=93)

We will like to encourage your son/ward to take part in this competition. The registration fee per participant is twenty dollars (\$20). Please return the reply slip to your son's/ward's Math teacher and enclose a cheque of \$20 payable to "HotHouse Educational Services Pte Ltd" by 30 June 2010 (Wednesday). Late submissions will not be processed.

Thank you.

Yours faithfully,

Mrs Tan Guat Hwa  
Teacher-in-charge
