P6 Graduation Party (18 November 2010, Singapore Swimming Club)

To enhance the party ambience, your son/ward has been briefed on the dress code. He is strongly encouraged to dress to the theme, i.e. dress in something starting with a particular alphabet **M**. For example, your son/ward may plan his dressing as *magnificent, menacing, mystical, monkey, movie star, mailman, magistrate*.

As the idea is to be creative and have fun, your son/ward can borrow from neighbours; make something with recycled or household materials (e.g. sheets, towels, feather dusters); use face paint or masks, or even use newspaper or toilet paper to make his outfit.

We have highlighted to the boys that they should avoid the following:-

- Dressed simply as themselves in normal clothes for outings.
- Dressing with rude or inappropriate messages.
- Buy or rent costumes for the party.

We hope to encourage some creativity in the way the boys dress up without them incurring a high cost. As such, they may approach you with some odd requests for clothing or accessories.

If you are picking your son/ward up directly from the Singapore Swimming Club, please do so by 3.00 pm. For boys who need to catch the afternoon school bus home, transport will be arranged for the boys to return to school in time.

Please ensure that class form teacher is duly informed of your son's/ward's transport arrangement.

The boys have also been asked to work on 2 class collages – one digital photo album and one banner. Please remind them to contribute photographs, poems, quotes and whatever memorabilia or decorations they wish to use to create their own special class memories on the banner. The digital photo album and the banner are managed by pupil representatives with some guidance from the teachers.

We look forward to seeing every boy at the P6 Graduation events.

Thank you.
