

Parenting Workshop:
BUILDING COURAGE & SELF-ESTEEM IN OUR
DIFFICULT & DANGEROUS WORLD

Date : 12 November 2010 (Friday)
Time : 7.30 – 9.00am
Venue : ACS(P) PSG/SFE Room @ Clock Tower
Speaker : Rev Dr Danny Goh
Cost : \$10 per parent (*inclusive of refreshment*)

Bringing up children, or being a child these days is by no means easy. The stresses of modern living, the dilemmas of dual-career families, the academic and CCA pressures on children, the influence of peers and the media are some major concerns and issues we have to reckon with.

How do we build courage and resiliency to help our children survive and thrive in our modern society? How do we nurture their self-esteem? How can we transmit our love and care so as to mould their behavior, and in turn help them to feel good about themselves in the process? How do we raise responsible children in a self-indulgent world? These are but some of the questions we will grapple with in this workshop.
