Dear Parents/Guardian of GE Pupils,

The Gifted Education Department is embarking on a fund-raising effort for the Community Outreach Services-Immanuel (COSI) Children's Village, a village outreach programme cum residential stay-in home for 120 children.

COSI is a project by the Methodist Missions Society (MMS), which was established in 1991 as the missions agency of The Methodist Church in Singapore. COSI takes in children from ages 6 to 12 and they stay at COSI until the age of 18 or until they have finished their basic education and acquired a skill. It also seeks to reach out to the five surrounding villages in the Toul Prich commune by way of medical and other social outreach programmes.

We aim to bless the less fortunate children in Cambodia and allow our own students to nurture a more caring, generous and sensitive spirit for their socio-emotional growth and maturation. This is very much in-line with the objective of the school in the Character Development curriculum for our boys; based on the Humility, Obedience, Perseverance, Empathy, Faithfulness, Unity and Loyalty (HOPEFUL) Values.

We hope that you will be able to work with your children to bring a variety of items such as stationery, books, games, DVDs, toys between *1 and 3 November 2010*. The pupils will be setting up a stall to sell these items as retail during recess between *8 and 9 November 2010*.

The items could be brought from home but should be in good condition so that other pupils would be prepared to purchase. Alternatively, you could help us by donating cash or in kind.

If you are making a cash donation to sponsor the purchase of items for this fund-raising, please make the cheque out to "Anglo-Chinese School (Primary)" or "ACS(P)". On the back of the cheque, please indicate your child's name, class and the purpose for donation as 'GEP 2010 CIP Project'.

Thank you for your partnership as we strive to nurture our pupils to be capable leaders with hearts of compassion and charity.

Yours faithfully,
