Dear Parents/Guardian of Primary 6 Pupils,

2010 Secondary One (S1) Posting Exercise Key Messages to Parents

Ministry of Education (MOE) has printed a booklet ‘Secondary School Education’ for all parents/guardians of Primary 6 pupils, which the school is giving to the pupils today. This booklet is designed to help you understand Singapore’s secondary school education, the courses available and the steps you need to take to ensure that your son/ward gets the best out of his next phase of education. It also highlights important considerations in the secondary school posting process.

MOE will be issuing another S1 information booklet ‘Secondary One Posting Exercise’ that you will be expected to receive in October 2010, before making the S1 options such as the secondary school choices for your son/ward.

Please note that the S1 Posting Exercise will take place from late November to December annually. The S1 Option Phase, for parents/guardians to submit your son’s/ward’s S1 options and/or secondary school choices, will be conducted immediately after the release of the PSLE results. Parents/Guardians can submit the completed S1 Option Form for your son/ward either electronically via the S1 Internet System (S1-IS) (from home or anywhere with internet access) or by bringing the hard copy to the school to submit.

Parents/Guardians can access the S1-IS using your son’s/ward’s BC Number and the S1 pin. The unique S1 pin will be issued to the parents/guardians in a sealed S1 Option Form, which will be given to your son/ward on the day when PSLE results is released, together with your son’s/ward’s PSLE results slip.
